I, _____ agree that by purchasing a share in the Draper Farms CSA Program, I have accepted the terms of the membership agreement outlined below:

We, the farm, wish to provide you with fresh, local, seasonal food and you, the member, wish to receive a portion of our harvest. This agreement displays shared commitments to that relationship. By signing below, I agree to terms outlined and I agree to purchase the membership share indicated.

- Members of the CSA will receive a weekly share consisting of approximately 8-12 items for a Full Share, and 4-8 items for a Half Share. I understand that available crops will vary throughout the duration of the **20 week program**.
- One aspect of CSA is that members support their farmer by sharing in the inherent risks of agriculture (poor weather, drought, crop failure, etc.) and the rewards (exceptionally fresh vegetables, the bounty of a good season, etc.) involved in farming. CSA farmers purposely plan for such contingencies; the farmers use growing techniques that protect the harvest to minimize the risk and optimize the rewards. However, I acknowledge there are no refunds due to crop failure or unforeseen factors.
- I understand this principle and agree that there is no guarantee on the exact amount or type of produce I will receive in my share. By participating in the CSA I am supporting the local farmer as well as more equitable food distribution, and I am helping to create a more environmentally and economically healthy society.
- Pick-up dates are to be scheduled weekly by the shareholder and can be rescheduled at any time if given 48-hours advanced notice. ***If a pick-up time is not indicated, the default market style pick up day and time each week will be Mondays from 12 to 6pm in the big red barn located at 11105 SW Baker Creek Road, McMinnville, OR, 97128.*** By becoming a member, I commit to picking up my share weekly and I understand that if I, or someone I designate, is unable to pick up my share, then you may lose one weeks value of your share. Each member will be allowed 3 grace periods where they can still come to get their share from the farm stand until 6pm the following day (Tuesday). After 3 grace periods are used, then you will lose one weeks value from your overall share for each week you miss. You may also give notice 48 hours ahead of time that you will not be able to pick up that day or week. You may do this as many times as needed and you will not lose one weeks value when proper notice is given. There will be no refunds or exchanges.
- ***The remaining balance on your CSA share will be due by June 1st, 2024. The amount of produce received by the shareholder will be directly related to their payment.*** This means the way to calculate my average weekly allotment is to take the total dollar amount paid and divide that number by the number of weeks in the program (20). If a member does not pay the full amount by the time indicated, or if at any time during the CSA duration, a member is not current on their payment, the agreement will be terminated and the shareholder will receive an amount of produce equal only to the value of their payment at that time.
